SPECIAL DIETS

We have a range of gluten free soups, cakes and breads. Please ask a member of staff for details along with any other dietary requirements.

Whilst we do our utmost to accommodate any special dietary requirements, the food is all prepared in the same kitchen, therefore we cannot accept any liability.

Terrazzo was born out of our love of food, especially Mediterranean food. We started our outside catering business twenty five years ago and currently cater for some of the North of England's finest events. From beautiful weddings to major corporate events, we provide delicious meals and first rate service. Our customers have said so many times, 'Why don't you open a restaurant?' So that's what we've done.

Welcome to Terrazzo.
